- Mathematics (A), Economics (A), Psychology (B)

GCSEs & iGCSEs — 2022 -2024

- 9 subjects including Maths, English, Sciences (8s/7s), Islamiyat (A*)

WORK EXPERIENCE

Mathematics & Economics Tutor — December, 2024 - present

MAP Tuition | Remote - Online

- Assisted 10+ students aged 10 to 18 across maths and economics, building tailored lesson plans that improved grades and exam confidence.
- Personalised lesson plans and teaching techniques to improve students' understanding.
- Provided one-to-one lessons, showcasing understanding and patience when communicating, building a strong rapport with students.

Economics & Finance Content Creator — June, 2026 - present

@that.econgirl | Remote

- Independently write, design and publish weekly educational content on global markets, commodities and economics, translating complex financial news into accessible carousels for a student audience.
- Built and maintain two structured glossary databases (finance and economics), each covering formal definitions, real-world examples and current UK news applications.
- Track commodity price movements and publish forecast calls with a public accountability record, reinforcing analytical credibility with followers.

Trading & Supply Division Insight Week — Nov, 2024
Shell| Waterloo, London

- Gained exposure to hedging strategies, market analysis and data-driven decision-making through shadowing derivatives traders and business analysts, working in a 3-person team.
- Proposed an AI-powered chatbot concept to support trading decisions, a solution currently being developed by Shell based on my group's recommendation.
- Explored corporate treasury functions and the risk management of handling currency on a national-level.
- Explored how cross-department collaboration is a necessary key to production efficiency, emphasising the importance of data in optimising trading strategies.

Solicitor Intern — July, 2023
Kuddus Solicitors and Notary Public | Whitechapel, London

- Observed the day-to-day tasks of a solicitor, such as client meetings, document drafting and the overall preparations involved in cases.
- Supported co-workers by organising files to be easily accessible and drafting closing letters for cases, creating a space for efficiency and collaboration.
- Worked within the reception, provding sufficient information to all clients.

ADDITIONAL EXPERIENCE:

Queen Mary Islamic Finance Society (QMIFS) Ambassador [2025 - present]

- Represented the society at campus events and aided in event management.
- Took part in increasing outreach to improve event turnover

Member of the Student Council [2021 - 2023]

- Supported peers by raising key issues, regarding barriers to learning in classrooms, with staff through termly meetings.
- Organised a successful hiking trip by researching nearby parks and carrying out risk assessments before staff members approved.

Certificate of Appreciation – Organiser of Palestine Crisis Appeal Fundraiser [2021]

- Organised and promoted a month-long charity fundraiser, raising £1,212.74 through daily donation tracking and reconciliation.
